

HAUNTED? MAD? OR SIMPLY ECCENTRIC?

SARAH WINCHESTER

People said she was haunted and obsessed by the ghosts who died from her husband's invention — the Winchester Repeating Rifle.

Some stated she went mad after her daughter and husband died.

Others believed her to be just another wealthy eccentric who built a "mystery" house 24 hours a day, 7 days a week, 365 days a year for 36 years.

Who was the real Sarah Winchester? Hear her story. Then you decide.
